全国商業高校英語スピコンで快挙

全国商業高等学校英語スピーチコンテスト大分県大会

スピーチの部 **1位 奥戸美結** ・ 2位 大久保ひまり（ともに国際2年）

暗唱の部 **1位 曾我光舜**（国際3年）

Last week five International Course students joined the English Speech Contest for Commercial High Schools.

Three students joined the recitation contest and worked very hard to memorize the speech. They chose two topics. The first topic was called “Changing Your Future”. It was about growing up your brain! The second topic was called “True Love” and it was a very moving topic.

Two students joined the speech contest. They worked very hard making their own speech in English! Wow! The first speech was about never giving up and learning new languages. Very International Style! The second speech was about not taking school life for granted! Inspiration!

At the end, **three** students got awards!

And **two** students got **First Place!** Amazing!

Congratulations Kokusai Course students!
